Cindy,

The attached data pull is a listing to date on Pavillion, Wy. where EPA is concerned. Date range is for 11/12/2011 to 11/7/11.

496 total products, including online news, social media, blogs
418 were news items - 205 were found to consumer focused venues, 88 to businesses and 59 to trade and industry
Key Messages and Terms - 276 recognized Sound Science, 288 Safe and Sustainable Water Resources and 237 Hydraulic Fracturing

For your purposes, the full listing of title is attached.

Going forward I will print the full article and distribute on a daily basis.

For these archived items, would you like a copy of the full article of the 418? For me to print the ones with the most hits? Or wait until needed?

Kelly,

Can you identify a distribution list for me for daily email updates?
